Method for Computing the Balance for Purchases: Average Daily Balance including New Purchases.

Balance Transfers: We may permit you to transfer the balance of an account that you owe to another creditor to your account with us. If we approve a balance transfer, finance charges will be calculated and will accrue according to the same method as cash advances.

Minimum Payment: Your monthly payment will be 2% of your total new balance, or \$20, whichever is greater plus outstanding unpaid fees and charges, all prior unpaid payments and any amount that exceeds your credit limit.
