

REQUEST FOR WITHDRAWAL FROM CERTIFICATE

I AM REQUESTING A WITHDRAWAL FROM MY CERTIFICATE # _____ FOR: \$ _____

AVAILABLE DIVIDENDS \$ _____
(Available dividends may be withdrawn anytime without PSECU penalty.)

IS THIS AN IRA CERTIFICATE? No.

Yes. An IRA Withdrawal Form, which includes the W-4P section, must also be completed. (May also be subject to IRS penalties.)

PLEASE: Deposit the funds into my PSECU share # _____
 Send a check (check will be mailed to address on record for this account)
 Branch Withdrawal (check will be disbursed in-person)

I understand a penalty for early withdrawal will cause a forfeiture of dividends on the principal amount withdrawn whether or not the account has earned an initial dividend. The early withdrawal penalty will be deducted from the amount withdrawn and calculated at the annual dividend rate being paid on the certificate. The number of day's worth of dividends that will be forfeited is determined by the term of the certificate. See psecu.com/banking/certificates for complete details.

I also understand that if the penalty takes the certificate below the \$500 minimum balance, I must withdraw the entire amount and close the Certificate. The penalty will be calculated on the entire balance. **Minimum withdrawal amount - \$100.**
